College Newspaper Keeps MCNA Award

Editors, Awe and Price, Receive Plaque Third Time Successively.

The Northwest Missourian, for the third successive year, was named the best Missouri college newspaper in its division when it was awarded the gold M. C. N. A. plaque at the annual meeting of the Missouri College Newspaper Association in Columbia, Friday, May 5.

Student Life, of Washington University, St. Louis, and the Christian College Microphone, Columbia, won first in their divisions. Schools having enrollments more than 1000 and junior colleges, respectively. The Northwest Missourian was entered in the division of schools having enrollments less than 1000.

The Student, of Warrensburg, received special commendation from the judges in the first division.

Herbert Awe, of River Grove, Illinois, and John M. Price, of Maryville, Northwest Missourian editors, received the plaque presented by Mr. W. B. Bickley, professor of journalism, University of Missouri, at a luncheon at the Daniel Boone Hotel.

Twenty-two colleges and universities were entered in the contests, and more than 170 representatives attended the luncheon at which the awards were made.

John Cullen Murphy, creator of "Big Ben Bolt," was the guest lecturer. He discussed the value of art in the field of journalism and illustrated his remarks with sketches from his King Features comic strip.

Miss Violette Hunter, Northwest Missourian adviser, also attended the luncheon and the business meeting which preceded it.

Mr. Edward P. Morgan, Alumnus, Assists Senate

Mr. Edward P. Morgan, Class of '34, has been named chief counsel for the Senate Foreign Relations Subcommittee hearing charges of communist influences in the State Department.

Recently he has been heard over NBC network at 6:15 p. m. interviewing persons charged by Senator McCarthy as top communists in the government of this country.

Mr. Morgan is a former FBI agent and supervisor.

Miss Anna M. Painter, who was for many years chairman of the College English department, recently sent back a picture of Mr. Morgan which had appeared in the Buffalo Evening News.

Art Department Stimulates High Cultural Level in This College

Art has an important place in the lives of students at Northwest Missouri State. Proof of this statement can be found in the fact that the College has one of the largest and most important art collections between Kansas City and Chicago.

The entire campus shows the influence of art appreciation. The styling of many of the buildings combined with the effective use of landscape architecture could not help impressing even the most casual observer at the College.

Interiors of most of the buildings also show artistic influences. The walls of the Administration building, particularly, are hung with colored reproductions of many world famous art masterpieces. These pictures are part of the large collection from which students may check out their favorites to hang in their rooms in Residence Hall or the Quads. Room 206 in the "Ad" building has the appearance of an art gallery. The paintings in it are gifts of graduating classes. In the smoker are several original water colors by a Navy V-12 student which present a pictorial record of the College during the last war.

Many Courses Are Offered

These facts give some idea of how all students at the College are living with worthwhile art. For those students interested in art as a career the College offers a major or minor in the subject.

A person interested in art may select courses in art appreciation, drawing, painting, composition, costume design, home planning and decoration, commercial art, furniture and industrial design, and recreational art as well as courses in the theory and practice of teaching fine arts. Northwest State also offers extension courses in art and is one of the few colleges in the state which has been able to keep up with the demand for such classes.

At the present time approximately thirty students are majoring or minoring in the subject.

The primary function of the art department, naturally, is to prepare students to teach art in elementary or secondary schools. However, the department also welcomes those interested in commercial art fields and those who wish to acquire broader knowledge of the subject for their own personal growth and enjoyment.

Miss DeLuce Is Chairman

Chairman of the fine arts department is Miss Olive S. DeLuce. She was, as she puts it, "brought up knowing art from the cradle."

Miss DeLuce is a graduate of Columbia University Teachers College and has her master's degree from Columbia University. She has done graduate work at the University of Paris and at Columbia University and has been a student of Arthur W. Dow of New York and Andre L'Hote of Paris. She has also been a student at the Art Students' League of New York.

Assisting Miss DeLuce is Mr. Elroy Gibson, supervising art teacher at Horace Mann. Mr. Gibson (Continued on Page Two)

Herbert Awe Heads 1950 Homecoming Committee

Organized to produce and execute a successful Homecoming of 1950 is the duty of the recently formed Homecoming committee, composed of members from various clubs on the campus.

Having met twice since appointed, the committee has solved several problems. The Homecoming date has been set for October 20 and 21.

In the first meeting Herbert Awe, of River Grove, Illinois, was elected chairman. His duty is that of taking an overall responsibility of the subcommittees and acting as general assistant to Dr. John Harr, faculty sponsor, in the execution of the Homecoming plans and policies.

Each committee member is to head a separate sub-committee, which is devoted to a specific task such as the variety show, the parade, the dance, or publicity.

The main committee has made an appeal to the student body to consider constructive plans for a bigger and a better Homecoming.

The committee feels that with full student cooperation, Homecoming activities can be the best ever presented at the College. All members are eager to have all students help them in making these aspirations come true.

Householders' Tea Is Held in Bearcat Den

Miss Martha Locke and Miss Chloe Millikan were hostesses at a Householders' tea, Wednesday, May 10. The tea was held from three until five in the Bearcat Den. All College householders and women faculty members were guests.

Pouring were Mrs. Charles Roark, Mrs. H. R. Dieterich, Mrs. Walter Davis, and Mrs. Joe Johnson. Off-lunch students who assisted were Effie Moffett, Shirley Alden, Shirley Watson, Jane Goodwin, Marjorie Green, and Marilyn Nelson.

Director of Budget Talks in Assembly

Mr. E. L. Pigg Pictures Life of the James Boys During Civil War.

Jesse James, his life and times, lived again when Mr. E. L. Pigg, state comptroller, and director of the budget for the State of Missouri, spoke at assembly Thursday, April 21.

In his address, Mr. Pigg reviewed the historical events leading up to Jesse's career as an outlaw and of his subsequent murder. Beginning with the border warfare between Missouri and Kansas that preceded the Civil War, the speaker told of the death of Jesse's father, and the murder of his stepfather, and finally of the James boys' careers as fighters in "Bloody" Bill Anderson's guerrilla band during the war.

Were Product of Condition

"Frank and Jesse James were the product of a condition," Mr. Pigg declared.

The speaker reported that after the war Frank and Jesse, disenfranchised from the war and emigrated by a railroad swindler, became outlaws. Mr. Pigg concluded his address with the famous Robin Hood-like story of Jesse, a poor widow, and a mortgage-holding banker.

Speaker Assisted Croy

Mr. Pigg is probably one of the foremost authorities on Missouri history, particularly that period of it in which the James Boys operated. His great wealth of historical information was of much aid to Homer Croy when the latter wrote "Jesse James Was My Neighbor," which is dedicated to Mr. Pigg.

In his talk Mr. Pigg neither defended nor condemned Jesse James; he merely reported the facts as he had learned them. "Outlaws were outlaws, bank robbers were bank robbers," Jesse and Frank were just experts, that's all," the speaker concluded.

Navy Band Retains High Honors on State Campus

Given the title, "The World's Finest," the United States Navy Band lives up to its name.

On April 27, the band presented three concerts in the College auditorium before capacity crowds.

The afternoon programs had great variety; they ranged all the way from the Tchaikovsky to the Harry James and Tommy Dorsey types of music. Featured on the program were Frank Simonelli on the English solo horn; Carl Grove on the alto saxophone; and the Trumpet Trio, Richard Earl, Robert Baird and Richard Myers. All of the featured artists were called back by the audience for encores.

The afternoon performances were conducted by Chief Warrant Richard E. Townsend, assistant conductor.

Lt. Commander Charles Brendler was the conductor at the evening concert which featured music of a more classical type.

Education Classes Tour St. Joseph Krug School

Seventy students, members of Mr. Homer T. Phillips' education classes made a trip to the Krug School in St. Joseph, Tuesday, May 9.

Headed by Miss Myrtle Miller, the Krug school, a school for exceptional children, has an enrollment of 280. These children have low mentality, sight or speech defects or for some other reason are unable to compete in the regular systems.

Home economics classes prepared lunch for the college students.

Four Members of Music Staff Present Program

Four members of the music department of the Northwest Missouri State College, Mr. and Mrs. Thomas Pierson, Mr. Donald Sonnedecker, and Miss Ruth Miller, presented a program at the Conception Abbey on Sunday, May 7.

Their program included "Concerto in D Minor" by Bach for two violins and an orchestra, and "Suite Antique" by Stoeckel, played by Mr. and Mrs. Pierson, accompanied by Mr. Donald Sonnedecker. Mr. Sonnedecker and Miss Miller played "Petite Suite" by Debussy and "Variations on a Theme by Beethoven" composed by Saint-Saens.

He Stressed Good Qualities

A sympathetic counselor, a faithful friend, an efficient teacher, Mr. George H. Colbert helped to guard and protect the high standard of the College since its foundation in 1906. His gospel was that of neatness, accuracy, dependability, and splendid optimism.

Professor George Colbert Had Been With College Since 1906

The bell tolled, and the flag was lowered to half-mast.

With sadness, faculty and students heard the announcement on Wednesday morning, April 26, that their beloved friend, Professor Emeritus George H. Colbert, had died.

Mr. Colbert, age 88, had been a member of the College since its beginning in 1906. He had taught in the mathematics department for 40 years, retiring in 1946 with the title of professor emeritus, but had continued to maintain an active interest in campus affairs. Wednesday mornings often found the kindly gentleman in attendance at the College assembly.

He was the first dean of men at the College and was chairman of his department for many years. Few men have had a more strenuous period of service. His students throughout the years know how well he always contended for the highest welfare of the institution.

Kept Names of Students

Mr. Colbert always kept in his desk the names of all his students with the books filed in order. He made friends of his students and enjoyed them and his teaching.

Mr. Colbert was born October 21, 1861, in Lebanon, Ohio, the son of David and Jane Colbert. He attended the high school there and received his bachelor of science and master's degrees at the normal school in Lebanon. In 1900 he did graduate work at the University of Chicago and in 1928 at the University of Washington in Seattle.

Taught in Iowa

He began a teaching career by accepting a position at the normal school in Shenandoah, Ia. After the college burned there seven years afterwards, he taught in Lincoln, Neb., in the normal school. He later taught in Anderson, Ind., and Broadhead, Wis. Prior to coming to Maryville he served for six years as superintendent of schools in Page county, Ia.

It was in Shenandoah that he married Mrs. Colbert, the former Miss Mary Adamson of Holton, Kas., in July, 1889. The family home is at 223 East Seventh street.

Besides his wife, he is survived by three sons, Lt. Col. Herschel M. Colbert, Fort Ord, Calif.; Dr. Edwin Harris Colbert, curator of fossil reptiles of the American Museum of Natural History and professor of paleontology at Columbia University, both of New York City, N. Y.; and Jules Philip Colbert, professor of engineering of the University of Nebraska, Lincoln; seven grandsons and two granddaughters.

Funeral rites were conducted at 2 p. m. Friday, April 28, at the First Presbyterian church, of which he was a member. The Rev. Arthur Raeside, pastor, officiated. Burial was in Oak Hill cemetery.

Palbearers were Dr. J. W. Jones, Mr. William Tringo Garrett, Mr. J. N. Sayler, Mr. H. R. Dieterich, Dr. J. Gordon Strong and Mr. Donald Valk. Flowers were in charge of Mrs. Jones, Mrs. Garrett, Mrs. Sayler, Mrs. Dieterich and Mrs. Valk.

Mr. R. Foster Attends Meeting in California

Mr. Robert P. Foster, the College registrar, attended the national meeting of the American Association of Collegiate Registrars and Admissions Officers, in San Francisco, California, April 17-21.

The workshop of the meeting included studies on the campuses of the University of California, Berkeley; Stanford University, Palo Alto; Mills College, Oakland; and the San Francisco Junior College.

Every state in the Union and four foreign countries were represented at the meeting. Mr. Foster made the trip by train. He left Maryville Sunday, April 16, and returned the following Sunday.

College Will Grant Degrees

Week of Senior Activity Begins May 21 With Baccalaureate.

Finals Start Monday

Commencement Schedule Includes
Breakfast, Reception, Class
Day, Alumni Banquet.

Commencement exercises will take place at 10 o'clock Thursday morning, May 25, in the College auditorium. Seniors successfully completing the stipulated requirements will be graduated.

Speaker of the program will be Dr. Rees Hughes, president, State Teachers College, Pittsburg, Kansas. Dr. Hughes' subject will be concerned with the role a college graduate plays in relation to work on the UNESCO.

Dr. Hughes Will Speak

Dr. Hughes is primarily interested in this topic because he is a member of the National Committee on UNESCO. Last year he was in Europe as a representative of that committee studying European problems and helping to develop the work of the UNESCO.

Senior week begins on Sunday, May 21, with baccalaureate service at 4 p. m. The Reverend Monk Bryan, minister of the Methodist Church of Maryville, will deliver the sermon. The music department of the College will supply the music.

Wednesday, following the final examinations the two preceding days, has been set aside as Senior Day reserved with senior activities.

Included in the senior activity day will be the senior breakfast at Residence Hall at 9 a. m. Class day proceedings will then take place at the Administration building.

Reception at President's Home

President and Mrs. J. W. Jones will hold a reception at their home from 3 to 4:30 p. m. In the evening at 6:30 will be the alumni banquet at Residence Hall.

All seniors who are completing their requirements for a degree at the end of the spring quarter will be expected to participate in the spring commencement. Summer seniors, however, may make a choice as to whether they will attend the senior breakfast in the spring quarter or the senior breakfast in the summer quarter.

Schedules for final examinations have been changed to Monday and Tuesday, May 22 and 23. Seniors and underclassmen will follow the same schedule.

Seniors, who are to graduate at the end of the spring quarter, may be excused from examinations if they are entitled to an E or S grade in their individual courses.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will obey the laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

MANY HAVE HELPED!

A newspaper is a microscope envisioning detailed occurrences; it is an organ of hopes, determinations, and accomplishments; it is the medium for ideas and thoughts; it is a mouthpiece. As editors of the Northwest Missourian we have tried to use good journalism—in ideals of construction and contribution. We sincerely hope we have not failed.

At a recent state-wide contest your paper was judged best of the newspapers in the colleges of Missouri with enrollments less than 1,000. We are proud of this fact and especially thankful because of the significant reward this judgment has given to the many students who have made this paper what it is.

The past year we have sent the Northwest Missourian to 28 states, from New York on the Atlantic seaboard to California on the Pacific shore—and even beyond the seas to four foreign countries.

You may point with pride to the fact that your newspaper has a circulation of more than 2,100 every issue, and that the circulation figures reached a count of 4,800 for a special issue last March 22. Every issue of your paper goes to the students and faculty on the campus, parents of the students, newspaper offices and high school libraries in Northwest Missouri, the Board of Regents, subscribers, and 22 colleges and universities in the state.

The paper has become important. In a large measure it has become so through your efforts as contributors and critics. We editors are grateful to have represented you on this paper and hope that you are proud to reclaim your newspaper—the Northwest Missourian.

SHORTAGE IS ACUTE

Graduates trained for elementary school teaching should find a wide choice of employment opportunities in most states this spring. On the other hand, prospective teachers at the secondary level will find a highly competitive employment situation in all but a few subject fields.

Last year, only one student completed training for elementary teaching for every three who were needed; this year, the shortage will be nearly as acute. The number of students completing preparation for high school teaching in 1949 was four times as great as the demand; the oversupply in 1950 is expected to be even greater.

—Government Report.

DIETITIANS ARE NEEDED

Dietitians are in demand! A thousand new dietitians are needed yearly to replace those who leave because of marriage or other reasons, but not nearly that number prepare annually to enter the field, according to the U. S. Department of Labor's Women's Bureau which has just completed a study in cooperation with the American Dietetic Association.

In 1949 the Army reported almost 100 budgeted positions unfilled and many hospitals throughout the country reported difficulty in retaining well trained dietitians for their food services.

Miss Olive DeLuce
Edits Art Magazine'Show-Me Art' Is Keeping
Teachers Within State
Aware of Techniques.

Missouri teachers in the field of fine arts have developed an increasing appreciation for the booklet called "Show-Me Art," the official publication of the Art Division of the Missouri State Teachers Association. The primary purpose of the booklet is keeping teachers within the state informed of different teaching techniques as they are used in Missouri schools.

Bringing into print the latest innovations concerning new ideas and new thought in the art field is one of the objectives of the editors.

Each issue has guest editor "Show-Me Art" is an unusual booklet in itself; each issue finds a guest editor at the helm. To the knowledge of the editors, there is not a similar publication in the United States.

The April-May issue of "Show-Me Art" is of special interest to the people of Northwest Missouri. This particular issue was edited by Miss Olive DeLuce, chairman of the fine arts department at the College. Miss DeLuce has assembled a wealth of art news to present an attractive and interesting publication.

Horace Mann Students Help In accordance with its ideals of showing its readers what Missouri children are doing in art, the cover of the April-May issue was designed by the students of the Horace Mann laboratory school under the supervision of Mr. Ellery Gibson and Wilhelmina Edie. The wood cuts that appear in the booklet were done by Barbara Beavers and Burton Lyle, Horace Mann students. Another picture of particular interest shows a group of children watching a puppet show given by students of the art department at the College.

One of the many inviting articles was submitted by the former College Librarian, Paxton Price, now State Librarian at Jefferson City. Mr. Price outlined the course of action being followed by the State Library in order to make painting, architecture, sculpture and other forms of art available to all Missouri schools. According to Mr. Price, its methods for accomplishing this mission involve the use of the mails, bookmobiles, and personal visits.

Consider College Level The booklet also includes an article by J. B. Smith, dean of the Kansas City Art Institute and School of Design, entitled "A United Front For Missouri Art." Mr. Smith demonstrates the wide possibilities for art students at the college level. In particular, Dean Smith discussed the facilities provided art students by the school with which he is affiliated. He summarized his discourse by stating that the objective of Missouri art is a complete art education from grade one through the professional art school.

Three former Maryville students also contributed information. They are Jane Qualls, instructor at Cairo, Illinois, who discussed work in her classroom; Marlene King, teacher at a rural school outside Cameron, who submitted information concerning an art project dealing with the American Indian; and Norma Sawyer, teacher at Lake Station rural school, who described a puppet show which her students presented.

"Show-Me Art" is taking a big step toward the advancement of art education in Missouri. Much credit must be given Miss DeLuce and the many other people who are responsible for this progressive booklet.

ART DEPARTMENT
STIMULATES HIGH
LEVEL IN COLLEGE

(Continued from Page One)
son is a graduate of the University of Colorado and has his master's degree from the Colorado State College of Education.

Miss DeLuce firmly believes that learning comes only through actual activity, and that no one should teach art who has not or could not make a living as an artist. As a result of this theory, students at the College are able to do almost any type of art work they are interested in, including work in water color, oils, sculpture, and ceramics. The department is well known as one of service at the College since art students can always be counted on to provide posters, decorations for dances and help with art work for the "Northwest Missourian" and the "Tower." This year's "Tower" is dedicated to Miss DeLuce and features a fine arts theme.

Department Welcomes Visitors Concentrated on the fourth floor of the Administration building, the fine arts department is always a "must see" for visitors to the College. There plaster casts of famous statues, oil painting, water colors, lithographs, etchings, and many other types of art work may be seen.

The library is currently featuring an exhibit of student work in oil painting water color, pen and ink, and pencil work. Much interest has been shown in the exhibit, and some of the pictures may be framed and placed in the halls of the Administration building.

It's Time for a Change!

Besides the many art teachers that are alumni of the College, there are many graduates who are now active in commercial art fields. Several have outdoor advertising agencies and one is in charge of a recreational art crafts shop at an army post.

Students Make Field Trips As a supplement to actual class work art students at the College often make trips to visit museums, industries, and art exhibits in St. Joseph, Kansas City, Jefferson City, and Des Moines.

Student art teachers are able to get much worthwhile teaching experience in both theory and actual practice at the Horace Mann laboratory school.

Under the direction of Miss DeLuce, Mr. Gibson supervises all art work done by students from the fourth grade through the high school in the Horace Mann laboratory school. The main objectives there are to keep children with real talent in art interested in the subject and to provide the least talented student who is not interested in an art career with an opportunity to develop good artistic taste and to find something in art in which he can find satisfaction in producing. Therefore, the art program includes not only drawing and painting, but also art crafts such as clay and plaster modeling, leather, and metal tooling, textile painting and weaving.

School and community projects such as designing and producing posters, party and table decorations, program covers and settings for the stage productions are examples of some of the ways the practicality of art is demonstrated to the students.

Alpha Sigma Alphas Are Making Plans for Formal The Phi Phi Chapter of the Alpha Sigma Alpha sorority will hold its annual spring formal on Saturday, May 20, from 9 p. m. to 1 a. m., at the Maryville Country Club. The various committees are working in preparation for this high spot in the spring activities of the sorority.

The chairmen of these committees are as follows: Jean Short, 1001; Joanne Wright, decorations; Beverly Dunlap, entertainment; Polly Cramer, favors, programs; Martha Clymans and Katie Espey, program; Joanne Wright, and all pledges, clean-up.

Delta Sigmas Present Wedding Gift to Hostess The Delta Sigs held their weekly meeting at Mrs. Marvin Mattson's home at 509 North Fillmore Street. The business meeting was opened by Betty Curry, vice president.

A wedding gift was presented to the hostess and her husband from the sorority girls and their patronesses.

Refreshments of Coca-Cola and cake were served.

The Delta Sigs will hold their birthday dinner at the Vann Cafe, Thursday, May 18.

Kappa Delta-Pi Plans Book Award for Honoree Wilbur Pollard spoke to the members of the Kappa Delta Pi on his experiences encountered as the local chapter's delegate to the recent national convention. He told of the vast representation of the nation's foremost educators gathered at the meeting. One of the highlights was a lecture by Doctor Stoddard of Illinois on the future training of women.

Plans were laid by the local chapter for a book award to be presented at next year's honor's assembly. Following the meeting Miss Katharine and Miss Margaret Franken served refreshments.

Seven Lay Aside
Dignity for FunMonty Pitner Pictures Faculty Men Outside
Protecting Walls.

Seven members of the College faculty, in an endeavor toward entertainment, laid aside their classroom dignity to assume stage roles depicting the fruits of their classroom teachings at assembly, Wednesday, May 10.

Monty Pitner, who wrote the dialogue and directed rehearsals (if any), was master of ceremonies.

Each instructor first assumed the customary teacher position before the class and lectured for a few minutes; then in comedy form, he portrayed a comparable situation in real life.

Mr. Robert Gee, of the speech department, was first on the program, lecturing to his class about speech projection. Mr. Gee was then placed in a stage production in which the art of projection was forcibly demonstrated at the wrong time.

Mr. John Taylor, of the social science department, was first presented in his position as a history professor tossing darts about fluently. In a real life situation Mr. Taylor was in the process of completing a job questionnaire in which considerable difficulty was had in remembering birth date and other pertinent data.

Dr. John Harr, chairman of the social science department, first presented a lecture in customary fashion on the abuses of political graft. Dr. Harr then assumed the role of a wealthy southern senator in which he justified his methods of political greed.

Dr. Sterling Surrey, chairman of the business department, first lectured his class on the abilities required for executive leadership. In a real life situation Dr. Surrey was a brown breasted executive over a four-man crew of peanut vendors.

Dr. Paul McNutt, chairman of the music department, gave a short talk to his class on diaphragm control in singing, and then appeared on the stage as a singing waiter in a cheap beer hall.

Dr. Frank Grube, chairman of the English department, instructed his class on the value of good literature before assuming the role of a studio narrator in "The Life of Horatius."

Mr. Everett Brown, extension director, was portrayed on the stage as Simon Legree in the eyes of his assistants. His Excellency in the eyes of students procuring teaching positions, and as an angel as he views himself.

Bill Elam, John Pope, Barbro Bolinder, Herbert Ave, Robert Guthland, Beverly Graham, Myron Mock, Charles Newton, Diane Dressler, Gerald Cox, Sue Condon, Jerry Shell, Andy Runge, and Bill Sherman assisted the faculty in their performance.

Former Student Visits
Old Friends on Campus

Mr. and Mrs. Lloyd Hadley of Chicago, Illinois, were on the campus recently renewing old friendships. Mrs. Hadley graduated from the College in 1922.

A Latin teacher in the Steinmetz high school in Chicago, Mrs. Lillie Nelson Hadley has done outstanding work since she obtained her B. S. degree in 1921 and her A. B. degree in 1922 from the College. At present, she is national chairman of Latin Week and is vice president of the Illinois Classical Association for the middle and southern part of the U. S.

Mrs. Hadley is an aunt of Martha Nelson, freshman, who is attending the College.

On Friday, April 28, Mr. and Mrs. Hadley attended the funeral of Mr. George H. Colbert.

Mrs. Marvin Mattson, chairman of the speech department, judged events at the state speech conference at the University of Missouri, Columbia, Friday, May 5.

Mr. F. B. Houghton, of the agriculture department, gave a commencement address at Rosendale last Thursday, May 11. The title of his address was "New Frontiers." Mr. Houghton was formerly superintendent of schools at Rosendale.

The Stroller

Well, the rapidly increasing shortage of school days left in this school year seem to promise that it "won't be long now."

And the end of another year at Northwest State has Ye Olde Stroller in a mellow, reminiscent mood. Sitting in the Smoker watching the faces go by brings back the many things that happened out on the hill this year that will always be, for all of us, among our souvenirs.

The month of September heralded the beginning of a new school year at Northwest State. With it came an onslaught of old and new faces to the campus—among the latter an import from Holland—Henricus Jacobus Lajer, by name. Walkout Day added fun and hilarity to the month and introduced Alyce Whitlatch to the student body. October brought Homecoming and Homecoming brought back a thousand or more alumni and gave us Benny Strong, and of course Coach Milner's Bearcats made the day complete by downing Cape 41-14 in the brand new stadium.

Joyce Bailey, 1949 Homecoming queen, abdicated to Sadie Hawkins in November—all a part of the College tradition. One highlight of the month was the speech department's production, "Joan of Lorraine," starring Ivol-dene Crabtree and Bill Elam. It was also in this month that President Jones announced that the Board of Regents had approved the proposed dormitories and student union for the College.

December ushered in basketball as a temporary sport-favorite and brought the traditional "Hanging of the Greens" at Residence Hall. It was during this month that Jim Hill's little people became neighbors of the Stroller—good neighbors, too.

With January came the annual Tower dance and the crowning of Mary Lou Rockwell as yearbook queen. Under the direction of Frank Johnson an industrious group began changing the Bearcat Den into a temporary Student Union. February brought the Independents' enjoyable Mardi Gras and an Alpha-Phi-Omega-backed Ugly Man Contest—both new events around these y're parts and likely to become annual affairs. President Jones merged victorious in this contest, nosing out such likely contenders as Doctors John Harr and Sterling Surrey and six other candidates.

Track and tennis took over sports interest in March, while Jerry Lindsay's "Sheiks" were victorious in the intramural basketball championships. It was also during the windy month that "The Father" directed by the "Swedish sweethearts"—Barbro Bolinder and Agnefa Wohlfahrt—took the stage. The particularly outstanding performance of Andy Runge in this play was seen by capacity crowds for three nights.

April saw the spotlight point with pride to the Sigma Phi Dolphins' colorful "Inside USA" swim show. Max Kinney and Walt Stanton took office that month as president and vice president of the student body. Controversy of the month seemed to be, "Residence Hall's new closing hours—yes or no?" Even the Stroller doesn't know the answer to that one. Plans for the Student Union arrived and the middle of the campus was chosen as the place for it to grow—I mean go. Pledges to the Phi Sig fraternity went he-manish and sprouted beards just to live things up. Norman Jones borrowed Pat Zuchowski's evidently lucky track trunks, wore them backwards, and ran the 220 in his best time yet!

With May came the Phi Sig Frolics, spring, the 1950 Tower (Congrats, Jewel Rice and Dick Gordon, for an annual that was really worth the wait!), finals, commencement, and vacation. 'Nuff said.

See you-all next year, guys and gals!

New Senators Introduce
Formality to Meetings

Composed of many who are new senators, the Student Senate has emerged into energetic meetings and action.

Max Kinney, in conformance with the constitution, conducted the election of treasurer, secretary, and E. S. A. Recorder.

Jo Ann Magnuson won the secretarial nomination through a contested election. Jim Montague and Herbie Ave were elected by acclamation to the offices of E. C. A. Recorder and treasurer, respectively. Walt Stanton, vice president, was appointed parliamentarian. Serious consideration was given to the emptiness of the Bearcat Den. Plans were formulated to create more interest in the Den through the purchasing of popular records and by introducing more enjoyable activities.

Senators rejected a motion calling for an assigned seating arrangement. Reasons qualifying rejection were rigidity and formality and uneasiness of speaking.

Traditional policies were retained in the case of freshmen. Next fall, all freshmen will be requested to wear green beanies, symbolic of their newness on the campus.

President Max Kinney appointed Jack Miller as the Student-Senate representative to the Homecoming committee for next fall.

Dr. Blanche Dow, president of Cotley College, has forwarded some copies of Trade Winds which carry a picture and a story about Miss Eva Maria Calix, who is now teaching Spanish at International House, New Orleans. Miss Calix received a B. S. degree from the College in 1945 with a major in Spanish and minors in French and English.

Mrs. J. W. Hake and her brother and sister-in-law, Mr. and Mrs. Charles W. Harper of Chicago, are visiting in Denver, Colorado, with Mr. and Mrs. George Wagner while en route to California.

Last night, Dianne Dressler, Chicago, and William Baker, St. Joseph, presented a joint recital in piano and voice.

Dr. J. Gordon Stron, chairman of the Religious Emphasis committee has announced that Religious Emphasis Week, an annual event on the campus, will be held November 5-9, 1950.

Dr. Blanche Dow, former head of the foreign language department of the College, visited in Maryville the past week end. She is now president of Cotley College in Nevada.

Mr. W. A. Rickenbrode is reporting daily at his desk in the business office. He and Mrs. Rickenbrode had several weeks' vacation at Fort Myer, Florida, and other points in the South not long ago.

'Phi Sig Frolics' Are Well Received

'Whitey' Hubbell's Dream Is Enacted by College Fraternity Men.

On Wednesday evening, May 3, members of the Phi Sigma Epsilon fraternity presented a program entitled "Phi Sig Frolics." This was the first program of its kind, but it is thought by members of the fraternity that it is to be an annual affair.

The theme of the program was a dream by a college student, Whitey Hubbell, that he was taking a trip and seeing points of interest. The train station scene had John Summa and Bob Brandt jitters-bugging to the "Chattanooga Shoe Shine Boy."

Whitey's stop at Atlantic City showed him judging a beauty contest solely by looking at the legs of the contestants. It was decided by Whitey and the audience that Jerry Shell had the most beautiful legs.

South America was his next destination where he was an interested spectator of a rumba dance by John Summa, Harland Judd, and Bob Brandt.

After his brief interlude in South America he jumped across to Asia, then to the island of Frits Toff (spelled backwards, Hot Stuff), then to a night club in the good old U. S. A. where he was lucky enough to hear Joe "Frankie Lane" Zelen render two heart warming love songs.

Jim Pool was the director of the program and Mr. Robert F. Gee, of the speech department, an honorary member of the fraternity, was in charge of the dance routines.

Nine Honorary Students Enter Kappa Delta Pi

The Zeta Lambda chapter of Kappa Delta Pi, an honor society in education, met the evening of April 24 to elect officers for the ensuing year and to initiate new members.

Gaylord "Whitey" Meyers was selected for the office of president; "Whitey" comes from Atlantic, Iowa, and is a junior. Those elected to other offices were Wilbur Pollard, vice president; Joyce Smith, secretary; Miss Katherine Franken, treasurer; Bob Guthland, reporter.

The initiates who met the academic standings were brought into the organization. The requirements for entrance are that the candidates be a junior or senior; that he have an "B" average and that he plan to enter the teaching profession. Those initiated include Glenn Sherry, Roberta Walker, Robert Guthland, Betty Conrad, Donna Slattery, Leota Mae Shipley, Harold Tarpley, Bonnie Polk and Francis Lemmon.

High School Senior Day Draws 900 Students Here

Approximately 900 high school seniors from 55 high schools in the Northwest Missouri district participated in Senior Day, an annual event at the College, on April 24.

Prior to the morning assembly, tours of the campus were conducted with visits to various buildings, points of interest and demonstrations and exhibits by departments of the College.

Max Kinney, president of the student body, presided at an assembly and President J. W. Jones gave the welcome address, which was followed by skits presented by campus organizations.

After lunch and dancing in Room 114, with music by The Collegians, another variety show was presented.

The faculty committee in charge of Senior Day included Mrs. Ramona Canton, Miss Bonnie Magill, Robert Gee, Buford Garner, Myrl Long and Everett W. Brown, chairman.

Pi-Omega Pi Has Its Annual Senior Breakfast

The Beta Chapter of Pi Omega Pi, honorary commerce teachers fraternity, held its annual breakfast in honor of graduating seniors at 9 a. m., Sunday, May 7. The breakfast was served in the dining room of Residence Hall.

Jean Hansen, president of Beta Chapter, presided over the program which followed the breakfast. The program was as follows: welcome, President Hansen; piano solo, Don Prindle; introduction of guests, Mr. Blackwell; senior recognition, Joyce Smith; vocal solo, Bonnie Polk; introduction of guest speaker, Dr. Sterling Surrey.

Mrs. Marjorie Person, commerce teacher at Mound City high school, was the guest speaker and spoke on the topic, "Advice to Seniors."

Dorothy Jean McCartney Is Home Ec President

Installation of the new Home Economics Club officers was held at the regular meeting Monday, May 8, in the home economics lounge. Those who were installed are as follows: Dorothy Jean McCartney, president; Harriet Watson, vice president; Jo Ann Cutler, secretary; Rosetta Reed, treasurer.

Plans were made for a wiener roast and scavenger hunt to be held Friday night, May 19.

They've Been Doing It for Years

Glamour went masculine when the Phi Sigma Epsilon fraternity presented their first annual "Phi Sig Frolics." Shown above in the exotic "Ball Hall" number are, top row, left to right, Kenneth Parsons, Bob Breit, and Bob Arthur; bottom row, Jerry Shell, Carroll Wilkerson, and Eddie Reece.

Picnic and Dance Are Fun for Independents

After a picnic in the Bearcat Den, Independent Club members, their guests, and sponsors, Mr. and Mrs. Robert Gee, spent the evening at an informal dance at the Country Club. Dwan Wick furnished the music for the round dancing, and square dancing was called by Marvin Walston, with Nona Beason at the piano.

The Charleston as done by Mahlon Hewitt and Marilyn Nelson headed the program at the annual spring function. Monty Pilner gave a reading, followed by "Let's Take an Old Fashioned Walk" and "Dearie" sung by Mary Belle Best and Wilbur Wright. Swedish folk songs sung by Barbo Bolinder and a stunt depicting an operation from the Chicago Medical Institute presented by Nancy Dean, Jesse Masters and Gene Huston were appreciated received by the audience.

Phi Sigs Plan Another Conclave for Michigan

Several members of Phi Sigma Epsilon fraternity are making plans to attend the national conclave of the fraternity to be held in Detroit, Michigan, the last week in August. The national convales are held once every two years. The last such meeting of Phi Sigs was in Hot Springs, Arkansas, during the summer of 1948.

The delegates from this chapter attending that conclave reported a good time under the hostship of Rho Chapter.

The main issue of the conclave will concern the advantages of fraternity's joining the National Interfraternity Council.

Another advantage of these national meetings is to foster stronger and lasting bonds of friendship among the members of the fraternity from all parts of the country.

OK Klub Catches Spring Enthusiasm for Picnics

Members of the Off Kampus Klub had the picnic fever, Thursday, May 4, and held a wiener roast at the Roadside Park.

Group games were played. The picnic was chaperoned by Miss Martha Locke and Mr. George Gayler. Mrs. Gayler and son were guests.

The next meeting of the O. K. Klub will be held Thursday night, May 11.

Kappa Delta Pi Holds Founders' Day Dinner

The Kappa Delta Pi held their annual Founders' Day banquet the evening of April 24, at Residence Hall.

The Reverend Monk Bryan was guest speaker for the evening. His talk was on the correlation of the work of the teacher and the preacher.

Kappa Delta Pi, a young organization on the Maryville campus, is the second largest honor society in the United States, second only to Phi Beta Kappa. The society is steadily increasing in size, even though its membership is confined to honor students of education. Any education student on this campus interested in the fraternity should consult Gaylord Meyers regarding entrance requirements.

Two College Elementary Teachers Go to Capitol

Miss Chloe Millikan and Miss Neva Ross were recently called to Jefferson City by the State Superintendent of Schools, Mr. Burton K. Wheeler, to consider the publication of a handbook for kindergarten teachers.

On Saturday, May 6, following the meeting on Friday, Miss Millikan and Miss Ross attended the State Association of Childhood Education convention. Miss Ross was elected to the state board.

While in Jefferson City Miss Millikan and Miss Ross attended the meeting of the state Delta Kappa Gamma convention, of which both are members.

Mrs. Dreps spoke on "Central American Culture" with the emphasis on that of Guatemala. Special consideration was given to domestic life in the country and city of Guatemala.

Various styles of dress were illustrated in the lecture by showing several dolls dressed in native costumes from the various Central American countries. In addition, there were shown several women's dresses with complete accessories. Mrs. J. G. Strong accompanied Mrs. Dreps on the trip.

Off Kampus Klub Plans Trip to Famous Ozarks

At a meeting of the Off Kampus Klub Thursday evening, May 11, plans for the activities of next year were discussed. The club expects to spend a week end in the Ozarks sometime next spring.

The members also chose their pins which are to be made as soon as possible in order that the seniors who are graduating may get them. The club is hoping to have a larger enrollment next year.

Sigas Stage 'Under Sea' Dance at Club

An under-the-sea atmosphere served as setting for the Sigma Sigma Sigma mermaids and their guests at their spring formal, April 22, at the Country Club. Shown above are some of the guests dancing to the music of Bruce Pulley's orchestra.

Miss Cook Attends Center

Miss Mabel Cook of the home economics department went to Liberty, May 1, where she visited Betty Davis and Peggy Ford, seniors, who are attending the off campus student teaching center for home economists. Miss Cook has also been a visitor in the departments of two alumni, Mrs. Mary Rockwell Wray, of Stanberry, and Miss Thelma Stafford, of Tarkio.

Jim Pool Becomes Phi Sig of Year

Nu Chapter of Phi Sigma Epsilon fraternity held its annual spring formal at the Maryville Country Club, Saturday night, May 6, from 9 p. m. to 1 a. m.

Highlighting the evening's festivities was the presentation of an engraved cup to Jim Pool as "Phi Sig of the Year."

Decorations for the dance were under the direction of Bob Guthland. The theme was "Old Songs." A border of musical bars was hung completely around the dance floor. "Whitey" Hubbell painted several murals denoting old songs such as "Cigarettes and Whiskey," "Home on the Range," and "Ball Hall." Streamers of black and white were hung from the chandeliers to the walls. Blue lights were used exclusively for the illumination. The center of decorations was the fraternity crest.

Bob Arthur Sings

At intermission Bob Arthur sang "Without a Song." He was accompanied by Mary Marie Schulte. Refreshments consisted of coffee and cake.

Favors presented to the guests were small brown evening purses with the fraternity letters on the clasp. Inside the purse was a comb and compact.

Ten Alumni Return

Ten alumni returned to Maryville for the formal. Included was one charter member of the fraternity who was a member of Sigma Mu Delta when it joined Phi Sigma Epsilon as a national fraternity. He is George C. Fracker, brother-in-law of Mr. W. T. Garrett, a sponsor of the fraternity.

In addition to the alumni, honored guests at the dance were Dr. and Mrs. J. W. Jones, Mr. and Mrs. W. T. Garrett, Mr. and Mrs. H. E. Queen of May, Maypole Are Dance Highlights

The Delta Sigs held their annual spring formal at the Country Club, May 13. The theme of the dance centered around the Maypole and the room was decorated in soft pastel colors. The winding of the Maypole climaxed the dance.

Betty Curry was the general committee chairman for the dance. Other chairmen were as follows: Bedonna White, decoration; Mary Jo Winn, program; Martha Hill, food; Rosetta Reed, dance programs.

A Delta queen of May was crowned under a rose arbor with a silver and rose crown.

Sharlis Marple Will Be Delegate to Sigma Meet

The official delegate from the Alpha Epsilon chapter of Sigma Sigma Sigma to the national convention is the president, Sharlis Marple. The convention will be held at the Edge Water Beach Hotel, Chicago, Illinois, on the shore of Lake Michigan.

Great plans are in store for the meeting. Chapter and national problems will be solved, plans for the coming year will be laid, and awards will be given to certain individuals and chapters. The national convention will convene June 24 and last through June 28.

Mrs. Helen Mutz, chapter alumnae chairman, and Diane Dressler, music chairman, will also attend.

Dorm Girls Hold Annual Election at House Party

A dorm party was held Monday night, May 8, at 9:30 p. m. Mrs. Thompson thanked the girls and the Residence Hall council for their fine co-operation this year. A program was given by the girls from second floor. It consisted of a piano solo by Pat Burton, a duet by Margie Lewis and Nina Gilliland, and a reading by Jo Magnuson.

Before the girls had refreshments, they voted on officers and representatives for next year's Residence Hall council. There was a tie for president between Betty Curry and Vivian Kovitz. Another vote will be taken later. Other officers and representatives are as follows: Betty Tieaman, vice president; Opal Fries, secretary; Mary Jo Winn, treasurer; Jo Magnuson, reporter; Ruth Slaten, Donna Slattery, Charlotte Turner, and Wilma Watkins, senior representatives; Sharlis Marple, Mary Jo Vernon, and Betty Ann Wilson, junior representatives; Anita Fink, Barbara Hudson, and Mary Jane Peck, sophomore representatives.

Patronesses Give Picnic Honoring Tri Sig Actives

Patronesses of the Sigma Sigma Sigma sorority, Mrs. Robert Foster, Mrs. Norvel Saylor, Mrs. J. B. Robinson, Jr., and Mrs. Forrest Gilliam, entertained at 5 o'clock Sunday afternoon, May 7, with a wiener roast and picnic for fifty active members of the organization.

The group was transported by the College bus to the country home of Mr. and Mrs. Robinson, and from there to the picnic grounds by hay racks pulled by tractors. The return trip at 7 p. m. was made in the same way.

A blazing fire greeted the guests at the picnic grounds where a menu of franks, potato salad, baked beans, pickles, coffee, and marshmallows was enjoyed.

Alpha Sigmas Cancel Ride, but Have Picnic

Old man weather took a hand Friday, April 29, and blew up some icy blasts which caused the Alpha Sigma Alpha sisters to shake their heads and cancel their previously arranged hayrack ride.

However, not to be thwarted in their purposes, the group decided to move the also-scheduled picnic inside. So the group enjoyed hot dogs, potato chips, cookies and cakes in the warm sanctuary of Residence Hall's downstairs hall.

Those in charge of the inside picnic were Lorita Young, Sergio Fries, and Pauline Cramer.

Before the Alpha Sigma Alpha picnic, which was held at 10:30 p. m., the members and their dates spent the early part of the evening enjoying the facilities of the newly organized student union and in attendance at one of the local theaters.

Kappa Omicron Phi Has Thirteen New Members

Thirteen girls became pledges to Kappa Omicron Phi, national professional home economics fraternity on Monday, May 1. In order to become a pledge, a girl must have completed half a minor in home economics and have an above average scholastic standing in all academic subjects.

The new pledges are as follows: Mary Bauman, Savannah; Joan Cutler, Northboro, Iowa; Clela Dinwiddie, Dorothy Neelsch, Oregon; Harriet, Watson, Maryville; Betty Jean Martin, Princeton; Nina Gilliland, Ludlow; Marjorie Elam, McFall; Barbara Hudson, Carrollton; Eleanor Williamson, Lathrop; Rosetta Reed, Jamesport; Carolyn Ward, Lamon, Iowa; Dorothy Jean McCartney, Tarkio.

Sigma Sigmas Use 'Under Sea' Theme

Fishing Nets, Sea Shells, Green Moss, and Fish Decorate Walls.

Saturday evening, April 22, members of Alpha Epsilon chapter of Sigma Sigma Sigma, their escorts, and chaperons enjoyed the annual spring formal of the sorority at the Maryville Country Club.

The theme of the dance was "Sigma Under the Sea." The walls were covered with waves of dark and light blue crepe paper with fish swimming around on the walls. Huge fishing nets with green moss hung from the ceilings, and a large blue and silver anchor was placed in the center. The band, Bruce Pulley's, was seated in a large pink sea shell.

Bronze Mugs Are Favors

As the couples went down stairs for refreshments, the gentlemen were given bronze mugs with the sorority crest on them. These favors were given out by the mermaid, Barbara Houston, seated on a rock.

The decorations downstairs also carried out the sea theme. The center piece of the serving table was a scene of sea shells, coral, and moss. The tables were covered with dark and light blue crepe paper with anchors placed on the center of the table.

Give Short Program

Refreshments of sandwiches and punch were served after a short program by the trio composed of Opal Fries, Marilyn Thompson, and Marge Lewis, and a piano duet by Mary Marie Schulte and Anita Fink.

Chaperons for the dance were President and Mrs. J. W. Jones, Mr. and Mrs. Lon Wilson, Mr. and Mrs. John Smay, Mr. and Mrs. Harold Neece, Mr. Donald Sonnedecker, Mrs. Virginia Coe Hamman, Mr. and Mrs. John Taylor.

Mathematics Club Has Four-Dimension Program

"Four-dimensions" was the subject of discussion at a meeting of the Mathematics Club held Tuesday evening, May 2. After a short business meeting conducted by President Max Quimby, Leland Hofer opened the discussion by explaining four-dimensional geometry. Then the club members attempted to find, by analogy, what life would be in a four-dimensional world if it does exist and if we could go there.

"Flat-Land," a mythical world of two dimensions, was used to find what the fourth-dimensional world is like. By noting how a third dimension can help solve the problems of the flatlander, the members were able to discover how a fourth dimension would solve problems in a three-dimensional world. With a fourth dimension to aid him, one could peel an orange without breaking the skin or remove the contents of an egg without breaking the shell. He could make a right glove into a left glove or a right shoe into a left shoe by turning it over in the fourth dimension. He could even remove the links from a steel chain without breaking a single link.

Although there is no evidence to prove or disprove the existence of a fourth-dimensional world, the mathematical fourth dimension is still good and is used, with modifications, by the physicists to explain some of the phenomena of our universe. In the connection, Einstein's four-dimensional world and the related expression for the interval between two events were discussed.

'Cats Romp MIAA Opponents to Win Outdoor Track Championship

Mick Anderson Establishes New Record of 9:45.7 in Two Mile

Maryville Captures Six Firsts Copping 84 1/4 Points; Cape Girardeau Indians Collect 47 7/10 Counters; Warrensburg Surprises Conference With 37 2/5.

Coach Ryland Milner's Maryville Bearcats marched to an undisputed victory over five conference foes May 13 in the annual MIAA outdoor track and field meet, which this year was held at Warrensburg. Al Wormsley placed in three events to attain high scoring honors while Mick Anderson's brilliant two mile race was clocked in a record 9:45.7 minutes.

Finish High for Year
Bearcat athletes finished the major sports season with a first in track, a second in football and a tie for second in basketball.

The Maryville golf and tennis teams did not finish in the money in their respective sports Saturday but Coach Ryland Milner copped the faculty and coaches golf tourney for the third time. He had a medal score of 70 for the 18 holes.

Big Bearcat Margin
Coach Milner was highly gratified with the performance of the well-rounded Bearcat track team that literally ran away with the meet. The Bearcats finished in front with 84 1/4 points, while the closest competitor was Cape Girardeau with 47 7/10 points. Scores of other teams were:

Warrensburg, 37 2/5; Springfield, 33 1/2; Rolla, 27 1/5; and Kirksville, 8 1/5.

Maryville's Mickey Anderson broke the only record, clipping almost 14 seconds off the 2-mile record. Anderson traveled the gruelling distance in 9:45.7. The previous record of 9:59.2, held by Donald of Springfield, Anderson lacked only two seconds of breaking the mile record.

Wormsley High Scorer
Alvin Wormsley of Maryville was high point scorer of the meet, despite the fact he placed only fifth in the discus, an event he won in two prior state meets. Wormsley scored 12 1/2 points, placing first in the shot put, second in the javelin and tied for third in the high jump. Don Neil of Maryville was second high scorer with 11 1/2 points. He copped both the dashes.

Warrensburg Boy Hurt
There was one casualty in the meet. Lobb of Warrensburg, after winning the low hurdles, tripped over a high hurdle and suffered an ankle injury.

Maryville entered three men in the MIAA tennis tournament. Bud Carmichael won his first two matches but was eliminated. Willis and Carroll also competed. Al Henningsen and Hoffman competed in the golf tourney.

The Summary
Javelin—1, Harwood, Rolla; 2, Wormsley, Maryville; 3, Sterner, Warrensburg. Distance, 100 feet, 3 1/2 inches. Broad jump—1, Coffey, Cape Girardeau; 2, James, Springfield; 3, Carter, Warrensburg; 4, tie between Shoneman of Maryville and Huffman of Rolla. Distance, 22 feet 1 inch.

Discus—1, Thacker, Kirksville; 2, Bequette, Cape Girardeau; 3, Momet, Cape Girardeau; 4, Daly, Maryville; 5, Wormsley, Maryville. Distance, 128 ft. 4 3/8 inches.

800 Yard Relay—1, tie between Warrensburg (Carter, Gardner, Tomelie, Anderson) and Maryville (Zuchowski, Neil, Carter, Thomas); 3, tie between Springfield and Rolla. Time, 1:32.3.

Shot put—1, Wormsley, Maryville; 2, Roach, Rolla; 3, Bequette, Cape Girardeau; 4, Stookey, Kirksville; 5, Daly, Maryville. Distance, 44 feet 1 inch.

Mile run—1, Anderson, Maryville; 2, Wigger, Cape Girardeau; 3, Tripp, Maryville; 4, Ulmer, Maryville; 5, Bender, Warrensburg. Time, 9:45.7.

Tarkio, Peru Lose Bearcat Tri-Meet
Maryville Retains Honor Winning 13 Events For 112 1/2 Points.

Al Wormsley's total of 18 points led Northwest Missouri State College to an overwhelming victory over the Peru Teachers and Tarkio College in a triangular track and field meet held on the College track April 21. Maryville scored the amazing total of 112 1/2 points in 33 1-2 for Peru and Tarkio trailing with 15.

Wormsley won the shot put, discus, javelin and placed second in the high jump for a pretty good afternoon's work.

The Bearcats captured 13 of 16 first places, losing in only the mile, 880 and broad jump. Mick Anderson, Maryville's dependable distance runner, did not run the mile but walked off with the two mile run in 9:43.2.

Meet records fell in all but six of the 16 events, and two others were tied. Only the records in the javelin, discus, shot put, and mile run were good enough to stand the onslaught. The pole vault and high jump records were tied.

Outside of Anderson's fine run in the two mile race, Dick Schone-mann leaped a distance of 6' 2" to copped that event. Norman James ran an excellent 440 to win that event in :52.

Kenny Irvin was high man for Peru, scoring 10 points, while Wayne Smith led Tarkio with 3 1-2

points. The Bearcats captured 13 of 16 first places, losing in only the mile, 880 and broad jump. Mick Anderson, Maryville's dependable distance runner, did not run the mile but walked off with the two mile run in 9:43.2.

Bearcats Edge Junior College in Tennis Meet

The Maryville Bearcats emerged triumphant in a tennis match played with the St. Joseph Junior College team, May 2, on the St. Joseph Central high school courts.

The match was all tied up going into the last set, in which John Pope of Maryville bested Wood of St. Joseph to give the Cats the team victory. Wood was at match point in the second set, when Pope who was receiving, broke through to win the point. He then went on to take that set and the match.

May 12 was the scheduled date for the MIAA tennis tourney at Warrensburg and Dr. Frank Grube, coach of the Bearcat team, announced that the boys would concentrate their efforts towards that particular date.

Results of the single matches: Beaumont of St. Joseph defeated Bud Carmichael of Maryville 6-3, 6-3.

Random Shots . . .

John Pope, Maryville's swinging southpaw, came from behind to trip St. Joseph's Wood in the deciding match of a recent tennis meet with the city's junior college. . . . Dick Carroll of Maryville defeated Poleski of St. Joseph 6-4, 6-2. Harlan Judd of Maryville defeated Harrison of St. Joseph 6-4, 6-2. Pope of Maryville defeated Wood of St. Joseph 8-10, 7-5, 6-3.

Results of doubles matches: Holmberg and Beaumont of St. Joseph defeated Carmichael and Judd 7-5, 6-3.

Willis and Carroll of Maryville defeated Harrison and Poleski of St. Joseph 6-1, 6-2, 6-4.

Tarkio College Is Romped by Bearcats
Tennis Teams Rate High As They Virtually Dominate Match.

Bearcat racquetters finally found their stride as they thoroughly trounced the Tarkio College team on the Tarkio courts May 4.

The Cats swept virtually everything in sight as they proved victorious in all but one event. This defeat was administered by Tarkio's Prather, as he defeated Bud Carmichael in the first match of the day.

Tarkio will come to the Maryville courts tomorrow to fulfill an engagement that was previously postponed by rain.

The results of the singles matches: Prather of Tarkio defeated Carmichael of Maryville 6-2, 1-6, 7-5. Willis of Maryville defeated McNulty of Tarkio 6-4, 8-6.

Carroll of Maryville defeated Mier of Tarkio 7-2, 6-2.

Judd of Maryville defeated Graham of Tarkio 4-6, 6-3, 6-2.

Pope of Maryville defeated Haller of Tarkio 6-1, 6-4.

Results of the doubles matches: Carmichael and Judd of Maryville defeated Prather and McNulty 4-6, 6-1, 6-3.

Willis and Carroll of Maryville defeated Mier and Graham of Tarkio 7-5, 6-2.

Tough in any 100 yard stretch has been Don Neil. Neil is a standout dashman on the oval straight-a-way. . . . Dick Schone-mann has been the most successful College high jump artist.

Clyde Thompson, Ronald Wood and Gene Ceglenski who completed work last quarter. Thompson in football, Wood in basketball and tennis, and Gene in the hard-wood game. . . . Lane Ulmer, a fellow with fighting spirit who has eaten dust but fights back in the gruelling two mile distance. . . . Pat Zuchowski, big, rugged, but handy with a generous smile. "Zuck" gives everything, both in football and in track. . . . What more can one say? . . . Spring football is under way. . . . Could anything be as relaxing, as gripping a football? . . . "Not a thing!" responds Burt Richey. . . . And what is more enjoyable than gripping a golf club? . . . College golfers know that one!

Softball intramurals are drawing to a conclusion. . . . Max Hochenauer never did find a pop cooler. . . . One final thought—when you pass out the bouquets you must scatter them to all the athletes and personnel of the athletic department. Those big ones are for Mr. E. A. Davis, Mr. Ryland Milner, Mr. Dewey Algood and Mr. Lon Wilson, who have guided prospective athletes and future coaches. Nuff said—see you sometime.

Mr. Lon Wilson Attends Annual Housing Meeting
Mr. Lon Wilson, dean of men, recently attended the National Housing convention at Purdue University at Lafayette, Indiana. The convention was for the housing directors for the colleges and universities of the United States.

The problems discussed were student government, recreation, building, and food handling in the dormitories.

Duke University reported that its student body was one hundred per cent housed in school dormitories.

It was brought out that the dormitories are a part of the educational system and give the student a sense of responsibility of living with others. They also give the student a sense of "belonging."

Mr. Harold Neece and family have been attending a convention of college business managers in Texas.

Nine Lettermen Will Complete College Careers This Spring

This spring will mark the end of the college trail for nine Bearcat athletes. All of them have distinguished not only themselves, but their school as well, with their splendid athletic achievements during the past four years. Each has individually contributed his ability for the promotion of cooperation and sportsmanship, being awarded a letter signifying attainment worthy of recognition.

Phil Carter
Phillip Carter, 21, Craig, will graduate this spring with a major in physical education and a minor in commerce. Phil has lettered in track for the past three seasons and earned his first monogram in football last fall.

Gene Ceglenski
Gene Ceglenski, 21, St. Joseph, is a three year letterman in basketball. Gene has a double major in physical education and commerce.

Bill Coulter
Bill Coulter, 21, Maryville, graduates with a major in physical education and a minor in sociology. Bill has lettered in track for two seasons and football in one. He runs the 440 on the track team. An ankle injury forced him out of football in the 1949 season.

John Daly
John Daly, 24, St. Joseph. A letterman in football for one year and track the last three seasons, John will graduate with a major in physical education and a minor in biological science. John won the Howard Leech Medal in 1949, awarded annually to the athlete with the highest scholastic marks from the junior class.

Norm James
Norman James, 21, Albany. Norman is a three year letterman in football and has won three letters as well in track. He was selected on the All-Conference football team in 1948 and in 1949 was co-captain of the Bearcat eleven. Norm has majors in physical education and geography.

Lane Ulmer
Lane Ulmer, 23, Hopkins, lettered for the first time in track in 1949. Lane has a major in industrial arts and a minor in physical education. His specialty has been the two mile race.

Al Wormsley
Alvin Wormsley, 26, Excelsior Springs. Al will graduate this spring with the unusual distinction of earning letters in three different sports. He has lettered in football three times; basketball, two years; track, the past four seasons. A total of nine letters in all. In track he garners

points in nearly every meet in the shot, discus, javelin, and high jump. Al has a major in physical education and a minor in history.

Pete Younger
"Pete" Younger, 25, Maryville, is a four year letterman in basketball and has won three football letters. "Pete" had an outstanding year in basketball in 1949-50. Besides leading the conference in scoring, he was elected to the All-conference team and also was co-captain of the basketball team. He has a major in physical education and a minor in industrial arts.

Pat Zuchowski
Pat Zuchowski, 26, St. Joseph. Pat has lettered three years in both football and track. He has been one of the outstanding sprinters in the conference during his college days at Maryville. Pat's most notable achievement has been his excellent time of :9.9 in the 100 yard dash in the conference track meet in 1948. He has a major in physical education and a minor in commerce.

Former Teacher Here Goes to Arizona State
John N. Pederson, coach at Horace Mann high school in 1947-49, will become head ski coach and assistant football coach this fall at Arizona State College.

He was formerly ski coach at the University of Colorado and resigned last summer at Maryville to return to the University of Indiana to continue work towards a Doctor of Physical Education degree. He held a graduate assistantship and helped with football coaching.
